### Event Sign In Policy

When you arrive at a venue for a fundraising event, you will be required to check in with the venue personnel. You may also have to sign in and present photo identification – this varies among the venues.

Once you are in the facility, you are required to report to the appropriate location where you will sign in with All About The Kids and receive your location assignment. You will not receive credit if you do not sign in with All About The Kids. No exceptions will be made!

Several days prior to an event, an email will be sent with detailed information including who to contact and where to report for your location assignment. If you do not receive an email, please contact Terry Meyers ([noprobmom@aol.com](mailto:noprobmom@aol.com) or 410-279-5252).

General check in information is also available on the website; however, if the information on the website and the email differ, follow the information provided in the email.
